## LET'S PARTY

More than 750 people welcomed Santa as he rolled to the Highfields Village Christmas Block Party on Friday night.

Organiser Mark Jocusen said the event was a resounding success. "The atmosphere was wonderful. It made you

proud to belong to Highfields.

"It was really enjoyable to bump into friends and neighbours and share the Christmas spirit. We received so much support in organising the event."

Entertainment included pony rides, a jumping castle and

sidewalk entertainment, market and food stalls and a vintage vehicle exhibition from Pioneer Village.

"The 2008 Christmas Block Party was such a great event that we now plan to have a Highfields party each year. We are already keen to hear from

groups and performers interested in participating in what will be an even bigger event next year.

"Thanks to the community for supporting the event. More photos from the night are available on the Highfields Village newsletter via the website."

**Concert wraps up school year**

As the rain fell the students from Goombungee State School held their end of year concert and awards night inside the dry Goombungee Hall.

The colourful stage provided the perfect backdrop as students from all years sang and danced their way through seven Abba songs putting on a very entertaining and informative journey through the band's history.

The awards for the year were presented to students shortly afterwards followed by the announcement of the 2009 school captains, Cody Trost and Crystal Starr and the 2009 vice-captains, Sam Noller and Gemma Merton.

A great night was had by students and all who attended. - **Kerrie Cowell.**

**Thanks from CareFlight**

As Christmas approaches, on behalf of all of the team at RACQ CareFlight, I would like to thank the community for the wonderful support that has helped us to keep flying in 2008.

Most residents will probably give many gifts this Christmas, but the support the people have given RACQ CareFlight helps us

regularly provide the best gift of all... a second chance at life.

There's no doubt that rapid air-medical transport delivered by your local community rescue chopper played a crucial role in helping save many lives in 2008.

When you take time to reflect this Christmas do so

knowing that you've helped deliver rapid medical care to more than 800 innocent people.

Life can change without a moment's notice and your willingness to reach out and help these unsuspecting people by supporting RACQ CareFlight is making a huge difference.

As the year draws to a

close we want to thank you for your compassion and tell you how grateful we are to have you in the CareFlight family.

I wish all families a safe Christmas and hope you can continue to support RACQ CareFlight in 2009. - **Ashley van de Velde, CEO, CareFlight Group Queensland.**

**Keeping in touch with the Mayor**

During the past eight months now, I wish to thank everyone who has contacted me via email, sms, phone, mail or chatted to me down the street,

at a function or community event - regarding a wide range of issues, from protection of native vegetation, the environment, to requests to cut down trees,

or concerns about the impact mining will have on our good agricultural land.

Your contact and engagement is important and I wish it to continue to allow me to do the best I can in representing your views.

Moving from local to regional government is a challenging workload for any mayor, now representing

almost four times as many residents as any single State Member of Parliament.

If you are still waiting for a reply from myself, or a council office on a matter you have raised, please be patient as we need to research some issues quite carefully before replying.

If you feel your request has been forgotten or overlooked please contact my office by phone 4688 6433, mail P. O. Box 3021 Toowoomba Village Fair Qld 4350, or email peter.taylor@toowoombaRC.qld.gov.au.

- **Peter Taylor, Mayor, Toowoomba Regional Council.**

**Remembrance Day photos available**

The Highfields RSL Sub Branch wish to congratulate the developers of the Highfields Village, Lauder Pty Ltd for their initiative in installing a community notice board on the external wall of Craig's Highfields Hardware.

The RSL has taken the opportunity of displaying some 80 pictures taken at the Highfields Remembrance Day service.

Anyone wishing to have photos printed can borrow a disk from Gordon Alden at Highfields Automotive

Spare Parts at the junction of Highfields Road and the New England Highway.

There is a \$5 deposit on the disk that is returnable, providing the disk is returned undamaged.

A spokesperson has suggested the community memorial outside the Cultural Centre is due to be tiled and the surrounding area tidied up once the weather settles. - **Al Taylor, secretary Highfields RSL Sub Branch.**

## Politicians visit

Liberal-National Party supporters met with Member for Maranoa Bruce Scott and candidate for the State seat of Nanango John Bjelke-Petersen in Crow's Nest. ABOVE: Ivan Vonhoff, Lynn Vandersee, Bruce Scott, Beven Kahler, John Hennessy, Bob Rolfe, John Bjelke-Petersen and Peter Ralph.

## Lower water rates for some

Toowoomba Regional Council has slashed the water rate for 171 properties in the former Crow's Nest Shire which are connected to a water service through low flow meters.

The affected properties are at Crow's Nest, Haden, Hampton, Kleinton and Trevean Gardens. The council has cut the water charges on these properties from \$320 to \$160 for the 2008-2009 financial year.

Council water services spokesman Cr Paul Antonio said the council felt there was a case that imposition of the full water access charge on these properties could cause hardship to the landowners. The decision also reflected the council's view that low flow access was a lower form of service. Cr Antonio said the decision would be reviewed in the 2009-2010 budget discussions.

## Tennis coaching camps

Dean's Tennis will hold holiday coaching camps at Highfields Indoor Sports Centre in January.

Bookings are now being taken for the camps, which are held for two hours each day for five days.

"Tennis beginners and players of any age and ability level can benefit from the classes," Dean Stansell said.

"We will implement a successful game based program where classes are energetic with a lot of rallying over the net. We will be also be working on techniques and tactics."

Camps will be held on January 5 - 9, January 12 - 16, and January 19 - 23, with sessions divided into groups for 5-7 year olds, 8-11s and 11+ ages. Cost is \$60 for the week. Contact - 0410 031 273.

## Bushcapades promote outdoor activity for children

Combining education with fascination is a key ingredient of Toowoomba Regional Council's Bushcapades school holiday program.

Children can learn about the environment while joining in the fun of fully supervised activities in the city's bushland parks this summer.

From Tuesday, January 6 to Friday, January 23, Bushcapades will captivate youngsters six years and older. Council staff organise and supervise each session with parents welcome to attend. However, children under the age of eight must be accompanied by an adult. First introduced in 1999

as a way to promote outdoor fun, the popular holiday entertainment program has been a hit ever since.

The activity sessions will run on each weekday for the three weeks but bookings are essential by phoning 4688 6514 during office hours.

All activities begin on time and run for one and a

half to two hours. Cost is between \$5 and \$10 and participants are encouraged to arrive early to avoid disappointment. Children must wear a hat, closed footwear, insect repellent, sunscreen and bring plenty of water. Bookings are essential, so please phone 4688 6514 to avoid disappointment.

# More than 700 children attend last Blue Light Disco for the year

The last Blue Light Disco for the year at the Highfields Cultural Centre on December 5 was a huge success.

A total of 707 children attended and \$2225 was donated to the Highfields Redbacks Football Club.

Many thanks to police officers, parents and football club officials who assisted with supervision of children on the night.

More discos have been set down for 2009 and bookings have also been made up to December 2012.

2008 has been a great year for the Highfields Blue Light Discos with 2557 children attending and \$7480 donated.

In the 10 and a half years the discos have been running at Highfields, a grand total of 22,419 children have attended and \$58,571.90 in money donated to Highfields and the surrounding community.

A big thankyou to all the police officers, parents and other officials who have assisted with supervising the children during the course of the running of the Blue Light Discos.

Without their support none of these events would be possible.

All the best for a Safe and Happy Christmas and New Year. - Adrian Zorzi.

## Man charged with assaulting police

A man, 34, will appear in the Toowoomba Magistrates Court on January 7 charged with serious assault of police.

Police were called at 9.30 pm Saturday to a man allegedly making threats to set himself on fire.

An officer from Crow's Nest and an officer from Goombungee attended and allegedly found the man lying on a pile of timber.

On seeing police he has allegedly poured fuel from a tin over himself and started to light a lighter. One officer ran to the man and set off a fire extinguisher preventing the flame from taking hold.

The man then allegedly threw the fuel can at the officer spraying him with fuel.

He is then alleged to have attempted to light the lighter and throw it at the officer. Both officers struggled with the man until they were able to restrain him.

He was taken to the Toowoomba Hospital where he was examined and released. He was then taken to the police station and charged with serious assault.

One officer received hospital treatment as a result of having petrol splashed in his eye. The other officer received treatment for petrol vapour inhalation which triggered an asthma attack.
